

Mr. Clay Awsumbe, SIUC Graduate and Professional Student Council (GPSC), spoke to the Board. He noted the opportunity ahead for the Board to improve the University by its selection of an Interim Chancellor for the Carbondale campus. He asked for the Trustees to immediately make a commitment to select an Interim Chancellor who is committed to students. He spoke of the students being the essential means of success on a campus. He noted the university needs to meet student needs, and their health and wellbeing will drive University success.

Dr. David Johnson, SIUC Faculty Association, spoke to the Board. He noted that before Chancellor Montemagno's untimely death, the campus restructuring process was controversial. He noted the last third of school proposals lacked faculty support. He further noted the large number of administrators serving in interim roles at the university with the campus facing an enrollment crisis. He recommended that the administration not force the proposed structure on the campus, adopt the proposed schools that faculty and students support, and support faculty alternatives provided for the other schools. He recommended the restructuring should be done in a collaborative manner and the enrollment crisis can then be addressed together.

Dr. Kathleen Chwalisz spoke to the Board. She recalled the recent loss of Chancellor Montemagno and the feared loss imagined of what SIUC could become through his vision. She expressed appreciation for President Dorsey's steady and thoughtful leadership he demonstrated through the crisis. She appreciated the President's verbal support for the reorganization, and she asked for formal support from the Board of Trustees of the reorganization. As a member of the Reorganization Review Committee she reported the process is ongoing with one-third of the proposals approved,

one-third of the proposals rejected but sent back for revisions with faculty and administrators working on, and a number of proposals that are faculty-driven are being developed. She spoke of a Faculty Senate Executive Council resolution recently forwarded to the Board requesting a formal endorsement of the SIUC reorganization concept. Further, Dr. Chwalisz asked the Board to choose someone as the Interim Chancellor who appreciates SIUC's mission and what it brings to the SIU system.

Mr. Bret Seferian spoke to the Board. He spoke on behalf of the Graduate Assistants United. He reported that from a number of student meetings he attended it was unclear whether the Board would seek input regarding candidates for the selection of Interim Chancellor. He spoke of the importance of students and the campus community being included to provide input. He expressed that students feel cut out of the process and noted their lack of faith in the administration and Board. He spoke of the length of time an Interim Chancellor may serve and that how that person is hired will have an effect on how well they will be received.

Mr. Anthony Travelstead, SIUC Civil Service Council, spoke to the Board. He spoke of the recent loss of Chancellor Montemagno and that he had made many steps forward for the campus. He noted the University cannot afford to be stationary. He asked the Board to quickly choose an Interim Chancellor who is a leader to move the campus forward to lead and inspire.

Chair Sholar commented that RMEs will be coming to the Board at its December meeting. President Dorsey confirmed the fact that those will be on the December Board agenda. Vice Chair Gilbert inquired about if time was of the essence, could proposals be sent to the IBHE before December. President Dorsey responded that

start forthwith to begin work by fall 2019 if all goes as planned. Dr. Dorsey expected the selection of Interim Chancellor to move relatively quickly. The person should be experienced at or near the Chancellor level, he or she should be acceptable to faculty, students, the President and the Board, and willing to serve that potential period of 18 to 24 months. He mentioned that it would be at the Board's discretion, but he did not expect the Interim Chancellor to be a candidate for the permanent position. Dr. Dorsey mentioned a common theme he heard from various constituents was the selected person needs to be a person who could unite not only those on the Carbondale campus but those in entire system. He spoke of two major pathways for the search and pros and cons for each pathway. For external candidates, search firms can find temporary placements. Those may take longer to get up to speed on campus issues but would come without perceived biases. Internal candidates could get to work immediately but may bring biases. The President noted that he had asked in open forums for people to submit names to him of potential candidates. He reported he had been provided 16 names of internal candidates that the Board could discuss.

Trustee Lockett stated that he would do his best job to make sure the student voices are heard in the process.

At approximately 10:35 a.m., Trustee Sambursky moved that the Board go into closed session to consider pending, probable or imminent court proceedings against or on behalf of the Board; appointment, employment, compensation, discipline, performance, or dismissal of specific employees; and meetings between internal and external auditors and governmental audit committees, finance committees, and their equivalents.
