

Procedure:

Evaluation Request Forms

*the items at issue and the applicable export control laws. If the items are subject to the Export Administration Regulations ("EAR"), ORGANIZATION will either furnish to SIU the applicable Export Control Classification Numbers or indicate that EAR 99 applies. If the items are subject to the International Traffic in Arms Regulations ("ITAR"), ORGANIZATION will notify SIU of the relevant ITAR categories and subcategories. SIU may decline to accept any export-controlled items. ORGANIZATION hereby gives written assurance that it will comply with, and will*

*export controlled items or information unless and until a plan for the transfer, use, dissemination and control of the items or information has been approved by UNIVERSITY'S Export Control Director.*
